CREATE A CERTIPORT ACCOUNT

You can only create your account if you have turned in your Certiport Permission Form

1. Open Firefox or Chrome browser
2. https://www.certiport.com/portal/SSL/Login.aspx
3. Register as a new user, unless you have previously created an account.
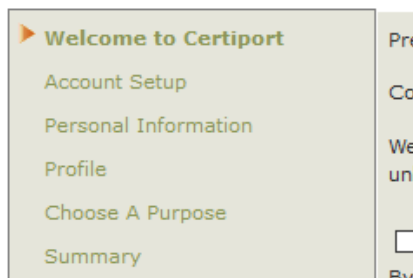

New Users

To create a user account with Certiport, you must register.

Register

4. Follow the remaining directions closely. I will walk you through each of the categories.
