Extra Credit

Online Photobook using Shutterfly

You will have to create an account but NO PURCHASE IS NECESSARY.

1. Make your own photo album
 - a. Bring in your own personal photos of an activity or event
2. **15** pictures minimum
3. Every page/picture must have a title/caption (this is to represent a scrapbook of your event)
4. **At least 7** pictures need to be edited/enhanced in some way using previous techniques. You cannot use a technique more than once! It should be a realistic edit/enhancement.
